PHOTOGRAPHY PERMITS AVAILABLE FOR SAHUARO RANCH PARK

Glendale, Ariz. — Sahuaro Ranch Park Historic Area, with its historic 1880s ranch buildings, rose garden and unique characteristics, is a very popular location for professional photographers. Photographers now wanting to conduct their shoots on the historic grounds will need a commercial photography permit.

The permit allows professional photographers and videographers to photograph and film in the 17-acre historic area, located at 9802 N. 59th Ave. This includes film and photos of, but isn't limited to, family or individual portraits, weddings, ceremonies, receptions, video and commercial prints. Additionally, based on photography needs, facility rental opportunities are available and may be required.

The permits are \$100 per photographer and are valid for one year. They can be purchased online at www.glendaleaz.com/parksandrecreation/permits.cfm or in person at the Glendale parks and recreation office, Monday through Friday, 8 a.m. to 5 p.m., 5850 W. Glendale Ave.
